

Kedington Appoints Solutions Sales Manager

Kedington, Ireland's leading provider of structured cabling and networking solutions, today announces the appointment of Steven Keating to the position of Sales Manager for Solutions Division for Kedington's Solutions Division. Adrian will be responsible for development and growth of the Active Network side of the Kedington business, leveraging its leading position in the supply of passive network solutions in Ireland.

Prior to that Adrian worked for Complete Network Technology as senior account manager with responsibility for an extensive portfolio of converged networks and security solutions. Prior to that Adrian held a number of sales and marketing managerial positions with Cara, EPS, Abacus Systems and Clarity Distribution. Adrian has extensive experience in the areas of converged networks and security.

Adrian has extensive experience in the areas of converged networks and security.

About Kedington

Kedington was founded in 1989 and was purchased by Denis O'Brien's Esat in 1999. In March 2003 an MBO, lead by Matt Porter and Colm Lyons was concluded taking the company back into private ownership. Matt and Colm managed to secure the entire Republic of Ireland operation, with offices in Dublin, Cork and Limerick, and kept the original management team together. Its customers have enjoyed a seamless change-over and continue to benefit from a huge wealth of expertise that still resides within the group.
